1 INTRODUCTION

Within Infraco Consulting we are committed to providing services which meet the customers' specified contractual and project requirements. We are committed to setting and achieving quality, and in all respects, the specified requirements and reasonable expectations of our customers. This policy outlines our commitments to implementing and upholding a Quality Management System to ISO.9001 standard.

2 POLICY

Infraco shall develop and maintain a Quality Management System that conforms to the requirements of ISO 9001 so that we can provide and maintain a consistently high quality in all work we undertake. Our Quality Management System shall ensure that proper communication, work control, and accountable records are generated for all work undertaken. Our quality management system shall be continually improved whenever possible.

All employees of Infraco are charged with promoting these aims and are required to familiarise themselves with the contents of this Quality Manual which defines the Quality Management System that has been established and adopted as the means for achieving these declared objectives. Everyone connected with Infraco Consulting shall be supported according to their individual needs for personal development, training, and facilities.

The HSEQ Manager is the appointed management representative responsible for monitoring and ensuring the correct and effective implementation of the Infraco Quality Management System as a whole.

Total Quality Management **shall** be applied to every aspect of our activity and quality **shall** be the responsibility of everyone, in every activity, throughout Infraco.
